

How to download Zoom?

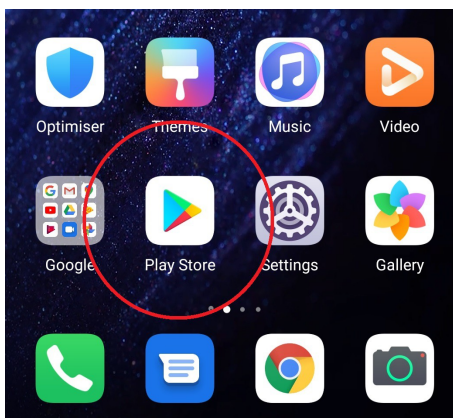

You can download the Zoom app for free on your phone, tablet or computer.

You are using a phone.

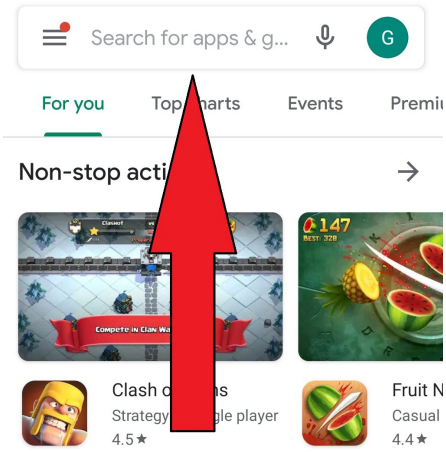

Open your [App Store](#) or [Google Play](#) on your phone.

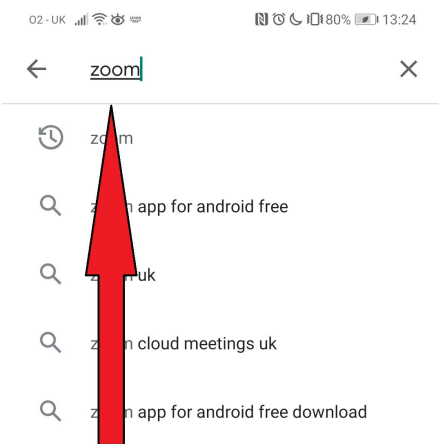

An [App Store](#) or [Google Play](#) is where you can download apps.

Go to Search for apps.

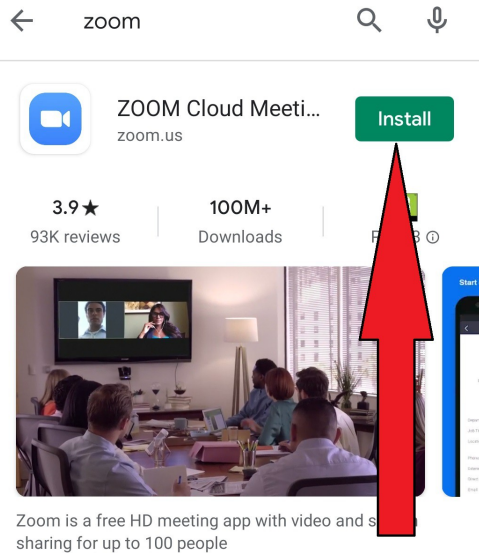

Type in Zoom.

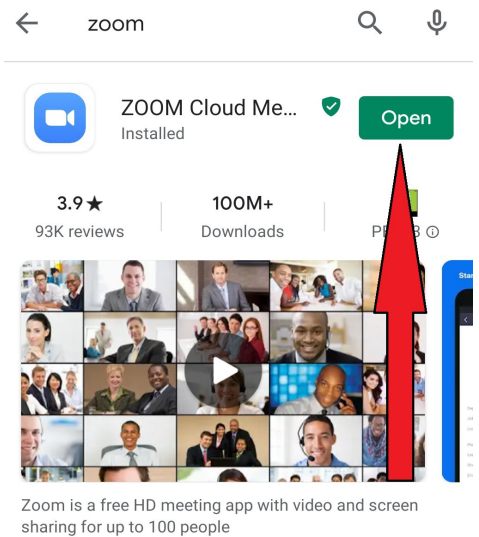

Press the search button.

Press the **Install** button next to **Zoom Cloud Meetings**.

Zoom Cloud Meetings is the name of the Zoom app.

Wait for the App to download.

Press **Open**.

Your Zoom app has downloaded.

If you need help ask a friend, someone in your family or support worker.

You can contact **ClearCommunityWeb** for help.
Phone: **07523 646277**
